BIG AND BRAVE

directions

1. **Show off** a spider surprise sticker and **stick** it on your shirt.

Say: This sticker shows a big spider! It's a little creepy and crawly, isn't it? Sometimes the good things we need to do might seem a little scary, too. But Jesus gives us strength! Let's think of some big things that Jesus helps us do!

2. **Say,** "Jesus helps me _____," and fill in the blank with something in the "Big Things" column on the **Jesus Helps Me** list below.
3. **Point** to your sticker. Everyone **does the matching action**.
4. **Stop pointing** to your sticker. Everyone **freezes**!
5. **Repeat** steps 2-4, for rest of the chart.

Say: Guess what? I have a very special surprise for you! You get a spider sticker when you go home today! I'll give it to the person who comes to pick you up!

6. **Say** "Say With Me" listed on the front.
7. For age 4, **ask** "Questions" listed on the front.
