LEADER WIN

It's the last night of Switch for the fall semester! Can you believe it? Spend tonight reflecting and celebrating how God has moved in your group through the semester, and challenge your group to come back with more energy and passion and to invite their friends to be a part of Switch in the spring.

Your win is to let your students know you care about them, so have great conversations about whatever your students want to talk about.

HOW ARE YOU?

TribeDweller – We will be a tribe that cares deeply for one another.

1. **Catch up.** How was your week?
2. **Reflect.** What's been one high and one low from this semester?
3. **Celebrate.** What have you seen God do in your life this semester? What are some wins from Switch or from our small group that we can celebrate? (*Maybe it's a spiritual habit a student formed, that they invited, that they started Swerving, that your group got closer, etc.*)

SO, ABOUT TONIGHT ...

LightSeeker – We will seek God, our light.

1. When you think about your life, what do you usually see? Do you think you're more self-focused or others-focused?
2. Look up and read **Matthew 6:19-23**. What do these verses tell us about generosity?
3. What are some ways you can start being more generous?
4. Look up and read **2 Corinthians 9:8**. Have you ever experienced a time when God gave you the resources to be generous with your money or time? What happened?
5. Read the **Point**. What are some needs and some hurts you can fill and heal? How will you start doing that?

AND IT MATTERS BECAUSE?

StoryTeller – We will live lives that tell our story to the world.

1. Do you think people at school can tell you're different because you follow Jesus? What makes you say that? How can you start showing people who Jesus is through your everyday life?
2. What's one thing from this semester you'll start applying to your life? How will you do that?
3. **Action Steps:** Consider giving your students notecards to write their names, numbers, and ideas of ways they can be generous. Trade notecards in your group and challenge them to hold each other accountable to actually do that over break. You can also tell your students about Switch Bible Plans, encourage them to Swerve at Christmas, do something generous, etc.
