LISTEN TONE GUIDE WRESTLE NEXT CELEBRATE BOTH/AND IDK VISION

THE POINT

You find your identity from your creator.

Message: Where do you find your identity?

Topic: Identity

Verse: *Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God ...*
John 1:12 NIV

For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago. Ephesians 2:10 NLT

LEADER WIN

1. Tonight is all about building stronger connections within your Switch group and helping your students know that their Switch group is there to build them up. Help your students get to know each other's names, stories, and contexts so they can make it personal with each other.

2. Guide your students to explore where they've tried to find their identity in the past, how that has played out for them, and what steps they can take to find their identity from their creator.

LEADER TIPS

Celebrate Progress. What gets celebrated gets repeated. Every time one of your students takes a step on their journey of following Jesus, celebrate it. Help them identify and celebrate the progress they are making on their journey.

Think long and short. Long-term change is a result of short-term steps. What is the long-term vision for your group/students? Are the short-term steps you are leading them to take moving them toward that vision?

HOW ARE YOU?

TribeDweller – We will be a tribe that cares deeply for one another.

What is one thing from your past that has shaped who you are today?

How did it affect you?

SO, ABOUT TONIGHT ...

LightSeeker – We will seek God, our light.

1. Who is the most influential person in your life? What about them do you admire? Does their example make you feel more or less confident that you can do something great with your life?
2. Do you believe you have the potential to make a difference? What things in your life hold you back from living up to your potential? What helps you believe that?
3. Read Ephesians 2:10 NLT together. Any initial thoughts? When you read this verse, what does it make you think about? What parts of that verse do you agree with? What parts are a little harder to believe? What makes you say that?

AND IT MATTERS BECAUSE

StoryTeller – We will live lives that tell our story to the world.

1. What is one good thing that you can do this week that would help someone else? How are you going to do that?
2. *Take some time for you and your students to follow each other on social media and post something encouraging about each other. (While you are taking the time to do this, make sure to remind everyone they can get those truth statements by following LCSwitch on Instagram.)*
