

Big Idea

To Grow

There are three principles of growth:

1. People grow best when they own their own growth.
2. Growth starts with self-awareness.
3. People grow in the game.

Key Verses

Colossians 3:16
Hebrews 10:24-25

Look these up in the Bible App and take turns reading out loud.

Prayer

Father, thank You for the people around us who build us up. As we go about this next week, we ask that You would help us grow closer to You as we grow closer together. In Jesus' name, amen.

Discussion Questions

Before You Start
