

# YOU'VE HEARD IT SAID

LifeGroups

## Key things you heard

- We can't change our lives on our own. We need God and others.
- God does the changing, but we put in the work to bring about more and more changes in life.
- God can use change to bring us closer to Him.
- The parts of your story that you may see as wasted, God sees as worship.
- Ashton's story of dramatic life change reminds us of these truths: You are not alone. God is with you. God is for you. He will never leave you.

**Pray:** *God, thank You that our experiences and our stories are never wasted. In the middle of change, please remind us that we are seen, known, and loved by You. Help us to see change as a gift and an opportunity from You. In Jesus' name, amen.*

## Tweetable Moments

We have to recognize that we can't change our lives on our own.

In God's Kingdom, nothing gets wasted.

## Say What? Questions for conversation

**Icebreaker:** Would you rather change your past or see your future?

- What was your biggest takeaway?
- Do you tend to like or dislike change? Why do you think that is?
- Talk about a good change you've experienced.
- How do people change? Why is change so hard?
- Read **Matthew 26:6-13**. Share about a time in your life that you feel was wasted. How does your perspective about that time change when you know that nothing gets wasted in God's Kingdom?
- What's an area of your life that's changing right now? What's an area you'd like to change?

## Now Go Do It Resources and next steps

**Challenge:** Consider where you want to see change in your life and tell someone about it. It can be a friend, your family, or your LifeGroup.
