

# YOU'VE HEARD IT SAID

LifeGroups

## Key things you heard

- We can create the relationships we desire by being intentional with the people around us.
  - Pray for God to bring the right friends to you.
  - Find places in your life where you can add people to what you're already doing.
  - Be vulnerable, and be willing to initiate.
- Lay down your differences and fight for unity in your relationships.
- In all things, seek, delight, and cling to God.

**Pray:** *God, help us lay ourselves down in humility so that we can love those around us well. We know that relationships are important to You, which makes them important to us. Unify us. Guide us. We trust You. In Jesus' name, amen.*

## Tweetable Moments

God didn't call us to be right. He called us to love.

You can pray for people without trying to fix them. Just love them where they're at.

## Say What? Questions for conversation

**Icebreaker:** Share a light-hearted unpopular opinion.

- What was your biggest takeaway from the episode and why?
- Share about some of the most important relationships you have. What makes them stand out?
- Have you had a season of life where you lacked community? What did you learn during that time?
- Read **1 Corinthians 13:12-13**. How does that perspective impact how tightly you hold onto your opinions? In what ways could humility help you fight for unity in your relationships?
- What excuses are you holding onto that are preventing you from finding the relationships you want? How will you take one step to invest in those relationships?

## Now Go Do It Resources and next steps
