### Big Question

Do you feel like the Bible is useful in your life?

### Choose questions for your small group.

1. What stood out to you the most from the message? What's one thing you learned?
2. What's your answer to today's big question?
3. Read **2 Timothy 3:16 NIRV**. What are the things this verse says are useful about the Bible? Which of these things feels the most useful to you, personally?
4. Of all the images on the walls today, which one makes you think about God the most? Which Bible verse meant a lot to you from today's verse images activity? Talk about any verses you saw or read on images that surprised you or made you think a little differently.
5. Why do you think it can be easy to forget about reading the Bible very often? What can you do to make it more of a healthy spiritual habit?
6. Who is someone you can ask to help you learn how to use the wisdom and truth in the Bible in your everyday life?
7. Spend some time checking in with the students in your group. How are they doing? Anything they want to ask God for? Anything they want to thank God for? Pray together.
