

# YOU'VE HEARD IT SAID

LifeGroups

## Key things you heard

- Communities change from the inside out. Because every neighborhood knows and grows itself best, we empower the people who live there.
- RestoreOKC partnered with the East Oklahoma City community to start a local grocery store that has had a positive, lasting impact on the entire community.
- You can't solve a problem you don't understand. So, it's often curiosity that leads to our greatest contributions—not our solutions.

**Pray:** *God, we all want our lives to matter, but sometimes we go about serving those around us in all the wrong ways. Please give us Your wisdom and heart to love others like You have loved us. We're ready to empower the communities around us. In Jesus' name, amen.*

## Tweetable Moments

Jesus sees people who actually go out of their way to not be seen.

If you're trying to do something that impacts a diverse group, you need diverse ideas and voices.

## Say What? Questions for conversation

**Icebreaker:** What is your favorite place to shop?

- What impacted you most from this episode?
- Read **Acts 6:1-7**. In what ways do you see the early Church demonstrating community empowerment?
- Share about a time when you solved a problem or conflict on your own. How did it feel to find a solution for yourself?
- Are you more likely to avoid a problem or jump into it without fully understanding the details? The next time you see a problem, how can you take an approach that empowers everyone?
- How can you get curious about an issue you really care about? What perspectives and voices will show you the whole picture?

## Now Go Do It Resources and next steps

**Challenge:** Think about an issue you really care about. Take one step this week to understand the whole picture.

- If you're not yet in a LifeGroup, find or start one here: [www.life.church/lifegroups](http://www.life.church/lifegroups)
- Start the Season 6 Bible Plan, plus find a Bible Plan about each of the five key areas: [www.go2.lc/neighborplans](http://www.go2.lc/neighborplans)
