Key things you heard

- Hospitality takes intentionality. It means loving others the way Jesus has loved us.
- Because hospitality is a spiritual practice, it can be grown and developed over time.
- It's just as important to learn how to accept hospitality as it is to extend it.
- Hospitality often starts with praying about who God might be asking you to invite into your life.
- Find accountability and community to practice hospitality.

Pray: *God, thank You for welcoming us into Your family and showing us what hospitable love looks like. Please help us to grow our hospitality so that we can love others the way You have loved us. In Jesus' name, amen.*
