## What is a mentoring group?

- Someone who teaches or gives help and advice to a less experienced and often younger person
- Someone who is a trusted counselor or guide
- Someone who invests in the lives of others for growth, support, and strength

For people to follow you, you've got to know where you're going. Your Mentoring Plan will become a roadmap to healthy mentoring relationships. Make it yours and get started right away. Feel free to reach out to your Coach if you need help getting pointed in the right direction.

**My vision for mentoring is:**

Need help filling in the blank space? Your life is a compilation of individual experiences that make you unique. Your vision will be unique too. It's God-inspired, needed at Life.Church, and vital to the people you'll mentor! Remember, mentoring doesn't happen without meaningful relationships, personal growth, and community change. Use the questions below to uncover your vision. After you do, write a brief vision statement in the blank above.

*How will you use your unique life experiences (good and bad), gifts, and resources?*

*What will your mentoring relationships look like?*

*How will people you mentor become better versions of themselves?*

*How will families and communities look different because of your mentoring relationships?*

When I get together with my mentee's, we'll:

Again, below is some information to help you fill in the blank above. The exact format for each mentoring conversation is up to you and your mentee, but it's a huge help to have a plan. Below are the most common parts of a mentoring conversation. Mix and match these parts to write a brief description of what you'll do when you get together.

■ ***Talk Together***

Great mentors get their most helpful cues from casual conversation.

■ ***Eat Together***

Share coffee, a light snack, or even a meal together.

■ ***Have Fun Together***

Share an activity together like working out, riding motorcycles, or going on walks.

■ ***Grow Together***

All mentoring relationships spur on spiritual growth through intentional discussions with resources like:

- We'll use [www.life.church/talkitover](http://www.life.church/talkitover) for growth questions based on each week's message.
- We'll read through YouVersion Bible Plans and come up with action steps together.
- We'll use the LifeGroups resources available at [www.resources.life.church](http://www.resources.life.church).
- We'll read and discuss some great books that have helped me to grow.

■ ***Serve Together***

Some of the strongest bonds happen between people who serve together.

■ ***Pray Together***

Share your needs and pray with each other.

I'm going to own my growth. Here's my development plan:

Below are some ideas to help you fill in the blank above, but you've got to own it! You'll grow most when you get in the game and begin to mentor. As you encounter challenges and opportunities, we want you to have access to the resources you need. Here are some of those resources below.

- Visit [www.go2.lc/development](http://www.go2.lc/development) to learn about three great development tools.

I need to follow up with my Coach about:

## Hey, you've got this!

The relationships you build will not only impact lives at Life.Church, but also their families and communities for generations to come. Thank you for boldly opening your heart and schedules to lead people to become fully devoted followers of Christ. We believe in you!

*Trust God from the bottom of your heart; don't try to figure out everything on your own. Listen for God's voice in everything you do, everywhere you go; he's the one who will keep you on track.* Proverbs 3:5-6 MSG
