Key Point

Our faith is personal, but it's not private. It's important to have strong friends to share your life with.

Scripture

And all the believers met together in one place and shared everything they had. They sold their property and possessions and shared the money with those in need. They worshiped together at the Temple each day, met in homes for the Lord's Supper, and shared their meals with great joy and generosity—all the while praising God and enjoying the goodwill of all the people. And each day the Lord added to their fellowship those who were being saved.
Acts 2:44-47 NLT

Icebreaker

- On a scale of 1-10, how personal does your faith feel to you?

Start Talking

- What are your thoughts after watching this video? Is there anything that was surprising or that you want to learn more about?
- Read **Acts 2:44-47**. Talk about some of the different ways you see the early church doing life *together*. Identify things you want to try with others.
- Share some of the ways you currently experience community. How could practices like hospitality, mentoring, and serving grow your faith even more?

Prayer

Heavenly Father, thank You for creating us to be known by You and others. We're so grateful for the community You've placed us in. Please help us grow our faith as we practice loving others through hospitality, mentoring, and serving Your people. In Jesus' name, amen.
