Set-Up Notes

Before Each New Unit

- Stock the cart hanging files with Quick Looks for the correct room. The Order of Experience is on the back of that guide.
- Place the Picture Passes in the orange Adventure Bag.
- File each Small Group Story Card Set clipped to a Week 1 Small Group Leader Guide so leaders can pick up both easily.

Before Every Week

- Clip a new Small Group Leader Guide to each Story Card Set. The Story Cards are reused but with new Leader Guides. *Please note: Small Group Leader Guides and Story Cards are age specific. Please check the headings to make sure they are placed in the appropriate room.*
- Cut table length sheets of brown coloring paper for the number of experiences you'll have (both front and back should be used before discarding). Layer them all on the coloring table and fasten them down. Set out crayons on that table.
- Make sure each cart has all of the different color labels of Toys with a Purpose on the cart.
- Rotate the Toys with a Purpose to the next room. The city carpet moves with the car bin, the tool bench moves with the tools bin, and the kitchen rotates with the dishes and play food bin. Clean-Up Time is easier if you don't put similar items in the same room.
- Rotate Prop Talk materials to the next room's cart. Add new Leader Guides so there's one per experience. Discard used Leader Guides. Double check the Prop Talk materials list on the Leader Guide to make sure nothing is missing.

After Each Unit

- Discard all paper materials for the unit including the Picture Passes and Story Cards. Recycling is encouraged.
- Donate all Prop Talk items that are in good condition. Discard ones that are not. Don't let them accumulate in the Distribution Center.
