- Invite everyone to stand for worship.

## Transition to Episode (30 sec.)

- Get students excited for this week's episode of *The Loop Show!*  
*Today's Loop Show is all about helping one another with God's love. So, what does that have to do with bouncing some doughnuts or serenading some spaghetti? Too hard to explain. You'll have to watch and see. Let's count it down together! Loop Show in 3 ... 2 ... 1 ...*

## Offering and Announcements (2 min.)

- **Recap** teaching in one sentence.
- **Celebrate** hands raised during the salvation video.
- **Show** the spot where students can give their tithes and offerings.
- **Pray** for tithes and offerings.

- **Transition** to Activity.

## Activity (10 min.)

### Game Objective

Be the team who thinks of the most encouraging words.

### You'll Need

Paper bucket (1 per group)  
Letter tiles (~50 per group)

### Set Up

1. **Fill** buckets with letter tiles—one filled bucket per group.
2. **Seat** small groups in circles.

### How to Play

**Say:** Today, we're learning that a big mountain a lot of people face is feeling left out! Saying an encouraging word and inviting someone to join you at church are two great ways to help. But what if you're not good at thinking of encouraging words or inviting someone to church? Never fear! We'll practice that right now in our small groups with a fun game and some friendly competition!

1. **Give** letter bucket to one student in each group.
2. Student reaches in bucket **without looking** and **draws** a random letter.
3. Student **says** either a sentence that includes an **encouraging word** that starts with that letter OR a **sentence to invite someone to church** that starts with that letter.

**EXAMPLE:** If you draw an S, could say one of these:

- You're a **Super** person! (*Gave a compliment starting with S*)
- **Stop** everything and come to church with me! (*Invited someone to church with a sentence starting with S*)
- 4. Student **keeps** letter if they can complete the task. If they can't think of anything, they can pass and **return** the letter to the bucket.
- 5. Student **passes** bucket to person on their right.
- 6. **Repeat** steps 2-5 as time allows.
- 7. When time's up, groups **count** how many letter challenges they completed by counting the letter tiles they're holding.
- 8. **Celebrate** the group with the highest number!

## Small Group Discussion (10 min.)

### Today's Main Idea

I believe God's love can move impossible mountains.

### Review Today's Big Question

Think of one friend who needs some encouragement. What is one way you could share God's love with them this week?

### Review Today's Bible Verse

- **Locate Bibles** in the room, **look up** the verse together, and **talk about** what's the same and what's different if it's in a different translation.  
**Matthew 17:20 NLT** "... if you had faith even as small as a mustard seed, you could say to this mountain, 'Move from here to there,' and it would move. Nothing would be impossible."
- How can this verse encourage people who might feel a little overwhelmed by a tough situation?

### More Questions to Keep Your Group Talking

- What stood out to you the most from today's *Loop Show*? What's one thing you learned?
- How do you think God feels when He sees some people feeling bad about themselves?
- If your friend said, "I don't think I really belong anywhere," what would you say to them?
- Who can help you believe what God says about you if you're stuck believing a false label about yourself?
- Challenge one another to actually do the thing you thought of for the answer to today's Big Question. Check in with each other next week to see how it went!

### Pray Together

Check in with your group. How are they doing? Anything they want to ask or thank God for? Pray together!

## Leader Tip

When your experience is over, do a quick recap with your co-leaders. Ask one another for tips on handling any challenges you faced. Give high fives to one another to celebrate the amazing high points of the week. This is one of the best ways to sharpen and encourage one another so you'll flourish as leaders!
