### 1 WEEK ONLY • MIRACLES OF JESUS

#### Tips:

- Hold your hand up and count the time down on your fingers for each kid.
- If a kid can't think of anything in five seconds, whisper one of the words from the category to them to say.
- If your kids repeatedly have a hard time answering in five seconds, give them ten seconds each, instead.

#### Game adaptations if a kid in your group has a disability:

- All kids can remain seated for their turns if necessary.  
OR
