EYE SPY

directions

1. **Put on** wiggly-eye glasses and let kids giggle at them.

Say: Look at my funny glasses! I'm pretending they help me see kids who put others first! Pretend with me!

2. **Show** kids how to **hold** their hands in circle shapes over their eyes like binoculars to create their very own "others first" glasses!
3. Everyone **looks around** while you **say:** "I SEE kids who ____." *Finish sentence with an action from the Others First List below.*
4. Everyone **cheers.**
5. **Say together:** "I put others first!"

Note: Celebrate **all** kids each round. The point is to see how all the kids can learn to put others first with Jesus' help.

6. **Repeat** steps 3-5 as time allows, choosing as many actions as possible from Others First List.

Say: I saw so many kids in here who know how to put others first! Putting others first shows Jesus' love to others and gives joy to us!

7. **Say** "Say With Me" listed on the front.
8. For age 4, **ask** "Questions" listed on the front.
