

How to Be an Encourager!

First, cut along the dotted line and fold the bottom half of this page to make an encouragement card. "Encouragement for You" will become the front of the card.

Next, think of someone you know who needs encouragement—maybe someone in your family.

Write an encouraging note to them inside your card. The more specific, the better. Try filling in the blanks of one of these encouragement prompts and trust God will use you to make a big difference in their life.

I like it when you _____.

Something unusual about you that I think is great is _____.

I don't think I've ever told you that I love _____ about you.

If I were going to brag about you to someone, I'd say _____.
